nwBUILT Premier
NW Investment Builders "FARMY"

9008 EVANSTON NW - SEATTLE

Flooded with cheer, courtesy of soaring windows and generous, light-filled spaces that span over two living levels, and retracting interiors that combine sustainable and heartfelt components with modernist design, this is the home you've been dreaming of. The kitchen is airy and light with a large island clad in vintage oak, premium appliances, a Butler's pantry, and honed marble and granite counters providing a modern edge of amenities for the way we live now. Step outside to your private, outdoor oasis: a red brick patio and a natural gas stub for your grill, is surrounded by lovely landscaping and ready for dining al-fresco.

- Healthy Indoor Air & Lower Energy Consumption
- No VOC Paints, Stains & Finishes
- High-Performance Low-E Triple pane windows
- Prepped for Solar & EV Charging
- Heat Recovery Ventilation System
- Thick Framed & Insulated Walls
- In-Floor Radiant Heat and Heated Floors
- WaterSense Plumbing Fixtures
- Real Stone slab and tile accents
- Farmhouse Style Kitchens with Center Island
- Locally made Cabinets & Stainless Steel Appliances
- Hardwood & Polished Concrete Floors

C-COM™
www.carrotmedical.com PERFECT AUDIO. PRECISION TEAMWORK.

A few of the many hospitals who have made the successful transition to a C-Com Communication System:

- Brigham and Women's Hospital
- Hospital of the University of Pennsylvania
- Albert Einstein Medical Center
- UPMC Memorial Medical Center
- Yale New Haven Hospital
- Outstare Foundation Hospital
- Penn Presbyterian Medical Center

Leverage the latest in sound technology to dramatically improve communication between physicians and the rest of the clinical team, with a wireless healthcare communication system. Benefit from greater clinical workflow efficiency and improved patient outcome, in any interventional lab.

- Whisper sensitive individual microphones and extremely comfortable headsets ensure Business audio clarity and precise communication among members of the clinical team.
- Physician instructions and collaborative communication are distributed to all team members so they are always engaged.
- Optional subliminal quality speakers and headphones let you play stress reducing background music from a variety of sources.

C-COM SYSTEM INCLUDES:

- 5 wireless headsets (Affinity or Classic)
- 1 wired headset
- 10 batteries
- 1 Battery Charger

NEW Affinity Headset

- Super-compact, super-lightweight.
- Unparalleled balance and comfort to users.

"The communication system improves the entire collaboration of the procedure. I feel that by having everyone on the team listening on the headsets, people are more engaged and I can anticipate my needs. The collaboration of the case is vastly improved."

BE KNOWN AS THE COMPANY THAT HELPS CURE TYPE 1 DIABETES (T1D)

CORPORATE PARTNERSHIP OPPORTUNITIES 2014
Cheney Stadium, Tacoma
May 10, 2014 | Walk to Cure Diabetes

WHY PARTNER WITH JDRF?

JDRF's mission is to find a cure for diabetes through the support of research. Partnering with JDRF offers a unique opportunity to make a difference through your employees and community while aligning with a socially responsible, innovative and respected organization.

Use of Dollars: Over 80 cents of every dollar you donate will go to JDRF's mission to find a cure and prevent T1D.

Key Benefit: JDRF is associated with most major breakthroughs in diabetes research since 1970 and in FY 2013, over 60% of all research funding.

Walk to Cure Diabetes raised over \$225,000 for diabetes research. Corporate and individual support has been instrumental to JDRF's success in the South Sound.

For South Sound Council supporters are:

- Increase awareness through a media package reaching thousands in the South Sound region.
- Augment positive brand awareness by associating with a worthwhile cause.
- Showcase your products/services to a captive audience.
- Highlight your company's charitable initiatives and corporate health and wellness programs.
- Network and attract your corporate identity among local community business and healthcare leaders.
- Increase customer loyalty among JDRF supporters and diabetes activists.
- Increase employee commitment and morale through participation.

JDRF SPONSORSHIP OPPORTUNITIES

Tacoma

THE JDRF WALK TO CURE DIABETES is a community event that brings thousands of people together to raise awareness and funds for research to find a cure for Type 1 Diabetes.

TYPE 1 DIABETES is a chronic autoimmune condition that destroys the insulin-producing cells in the pancreas. It is a life-threatening disease that requires daily insulin injections to survive.

THE JDRF WALK TO CURE DIABETES is a community event that brings thousands of people together to raise awareness and funds for research to find a cure for Type 1 Diabetes.

ADDITIONAL INFORMATION: The JDRF Walk to Cure Diabetes is a community event that brings thousands of people together to raise awareness and funds for research to find a cure for Type 1 Diabetes.

T1D News

WALK TO HELP JDRF TURN TYPE ONE INTO TYPE NONE

March 10th is kind of a special day for many people with Type 1 Diabetes. It's the day that the National Diabetes Research Institute (NDRI) announced that it had awarded a \$100 million grant to the University of Washington (UW) to support research on the genetic causes of Type 1 Diabetes.
